# Notes

1. **Pulse Residential Pricing:** Pricing applicable for residential services only. Applicable fees and taxes may apply and may be additional to these rates. Rates, charges, fees and applicable taxes are subject to change. All services and products listed are governed by Pulse Terms and Conditions posted at [www.PulseFiber.org/TermsAndConditions](http://www.PulseFiber.org/TermsAndConditions).

2. **Internet:** The internet speeds Pulse provides are not guaranteed, but reflect best effort. Actual speeds will vary depending on end-user equipment and other factors.

The Pro internet package includes speeds up to 10 Gigs (10 Gbps).

3. **Free Professional Install Offer:** Installation fees are waived for new customers. Limited time offer. Standard Professional Install for internet starts at \$99.95. Adaptive WiFi+ Install starts at \$50.00.

4. **Adaptive WiFi+, Voice, and PulseTV:** A Pulse internet subscription is required to be eligible for Adaptive WiFi+, Voice, and/or PulseTV service.

5. **Adaptive WiFi+:** Pulse's Adaptive WiFi+ subscription includes up to two (2) SuperPods with WiFi 6 or WiFi 6E, HomePass powered by Plume, Internet Speed Boost (amount of boost varies by internet service), and TiVo+. Adaptive WiFi+ is available to purchase with select internet services.

Adaptive WiFi+ is based on the functionality offered by the internet service provided by Pulse together with the cloud-based service provided by Plume Design Inc. As a Plume Partner, Pulse provides you with a Plume membership subscription, which is required to use the Plume Cloud Services, subject to these terms of reference. By using the Service, you accept these terms of reference and those relating to Plume Membership, which are available through the link on the Plume App or else directly from the Plume website at [www.plume.com/legal/homepass-service-terms](http://www.plume.com/legal/homepass-service-terms).

The SuperPods remain the property of Pulse and must be returned to Pulse on termination of the service for whatever reason. If the SuperPods are not returned or are found to be damaged when returned, Pulse will charge you the cost of replacement for each SuperPod concerned per Pulse's Terms and Conditions. Pulse's Terms and Conditions are available at [www.PulseFiber.org/TermsAndConditions](http://www.PulseFiber.org/TermsAndConditions).

TiVo may change content lineups within TiVo+ in its sole discretion (i.e. add or remove content). TiVo+ content may be accessed through the Loveland PulseTV app (free download available at Amazon Appstore, Apple App Store, and Google Play) or at [tv.lovelandpulse.com](http://tv.lovelandpulse.com).

6. **24-Hour UPS:** Digital Voice Service requires electric power from the customer premises. In the event of a power outage, 911 calling may be interrupted if battery back-up is not installed, fails, or is exhausted. Further, telephone calls may not be completed in the event of problems with network facilities or other technical problems. Pulse may make available a battery backup in order to maintain the ability to make 911 calls during a power outage. Residential customers may, if they choose, utilize a battery backup for their Digital Voice Service. Supply and replacement of this battery is solely the customer's responsibility.

7. **Custom Install:** Additional charges for custom items outside of a standard install may apply.

## Notes (continued)

- 8. Seasonal Hold:** Seasonal Hold applies to data service only. When your Service is on hold, Pulse provides 3 Mbps service. The minimum hold period is one (1) month and the maximum is five (5) months. The hold can only be activated once every 12 months. Service can be reactivated any day of the month and service fees for a partial month are prorated. You will be billed the prorated monthly fees at the time of reactivation.

Scheduled return date – services will resume without the need to schedule a new installation or service visit. Also, your pre-hold options and rates will be restored to your account.

Account must remain in good standing during the vacation hold period. Good standing means you have complied with all explicit obligations.

- 9. Early Cancellation Fee:** If Customer does not keep their service for at least 90 days after Pulse finalizes exterior and/or interior install, Pulse reserves the right to recover from Customer all costs associated with the cancellation. Cancellation costs include, but are not limited to, the number porting fee, off-net circuit contracts and penalties, Customer-specific hardware, survey and permit fees, internal and external installation costs, expediting fees, cancellation fees, and a minimum of one month of monthly recurring Service fees.
