

Fast.
Reliable.
Fiber Internet.
THIS IS PULSE.

WELCOME TO PULSE

A trusted local utility committed to connecting the Northern Colorado community. We provide the reliable Internet, WiFi, TV, and Voice our residents need, backed by exceptional customer service and fair rates.

On behalf of the entire Pulse team, we would like to thank you and extend a warm welcome to our multigigabit fiber network. Fiber is the most modern, robust, scalable internet option in existence today and as a Pulse customer, all of that functionality is now yours.
