Active Service Area: Percentage of residents and businesses that are currently servicable by Pulse.

FIBER TO THE PREMISE HEALTH GAUGE

SCHEDULE

BUDGET

Notes:

Schedule: One hundred and eight weather days since November 2019 have impacted production rates but remain within seasonal expectations.

Budget: Costs to date higher than anticipated as final design quantities were finalized, but are expected to stay within current budget.

TYPICAL SERVICE AREA SCHEDULE

- From the time that network construction begins in a neighborhood, we are typically able to begin providing service within six to nine months.

MILESTONES COMPLETED SINCE LAST REPORT

- Number of completed areas with boring complete: 119
- Number of areas with fiber installation complete: 108
